

**O'NEAL STEEL**  
THE METALS COMPANY

## A TEAM YOU CAN TRUST

At O'Neal Steel, we are dedicated to service excellence. Our team is always here to help with any questions you may have. Our employees are equipped with the knowledge, resources, and experience to help you navigate your project needs from start to finish.

# ALUMINUM

We are your trusted aluminum supplier. Aluminum is one of the most versatile engineering and construction materials available. Why? Because it has a high tensile strength, is lightweight, and is corrosion-resistant. From marine applications to the transportation industry, the experts at O'Neal Steel can help you find the right grade and shape to meet your exact specifications.

### Benefits

- corrosion resistant
- high strength to weight ratio
- ideal electrical conductivity
- heat resistant
- easily formed and machined
- wide variety of finishes

### Processing Services

- sawing
- metal forming
- shearing
- fiber laser cutting
- tube laser cutting
- plasma cutting

### Industries We Serve

- Truck, Trailer, & Motor Vehicle Body Manufacturing
- Sign Manufacturing
- Communications Equipment Manufacturing
- Construction Machinery Manufacturing
- Fabricated Structural Metal Manufacturing
