

O'NEAL STEEL
THE METALS COMPANY

A TEAM YOU CAN TRUST

At O'Neal Steel, we are dedicated to service excellence. Our team is always here to help with any questions you may have. Our employees are equipped with the knowledge, resources, and experience to help you navigate your project needs from start to finish.

STAINLESS STEEL

We are your trusted stainless supplier. O'Neal Steel stocks a wide inventory of stainless steel products such as sheet, angle, tubing, and more. Stainless steel combines the high strength, hardness, workability, and formability of steel with high corrosion-resistance, making it a great material option for damp environments. This material is aesthetically appealing due to its polished appearance. Our extensive inventory includes both standard and polished finishes.

Benefits

- heat and corrosion resistant
- easily cleaned for heavily sanitized environments
- certain grades offer protection from pitting
- easily formed, welded, machined, and stamped
- available in standard and polished finishes

Processing Services

fiber laser cutting	sawing
tube laser cutting	metal forming
plasma cutting	shearing

Industries We Serve

- Truck Trailer Manufacturing
- Conveying Equipment Manufacturing
- Food Processing Equipment
- Fabricated Structural Metal Manufacturing
- Marine Applications
