

WHAT IS PRONTO®?

OVERVIEW

PRONTO® is O'Neal Steel's revolutionary, online ordering platform designed with you in mind. With PRONTO®, customers are able to manage their account, access all of their important documents in one place, and place orders 24/7.

PRONTO® makes it easy for our customers to source a broad range of metal products anywhere, anytime, and on any device.

FEATURES

SHOP ORDERS/DOCS

Shop our vast inventory, view live pricing, and place orders 24/7.

Quickly locate and download MTRs, invoices, and delivery tickets all in one place for easy management.

QUOTE HISTORY

Generate live quotes and save them for later. All of your previous quotes are saved for easy access if you ever need to refer back to them or re-quote a material later.

INVOICES

Download and pay your invoices online. Save time and pay multiple invoices in one transaction.

RETURNS

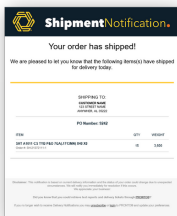

We know it happens, so we've made it easier than ever to make a return if necessary. You can also turn on notifications to track the status of your return.

NOTIFICATIONS

Sign up for delivery and next stop notifications via email or SMS to receive order updates and ensure your team is ready when your material arrives.
