

**O'NEAL STEEL**  
THE METALS COMPANY

## A TEAM YOU CAN TRUST

At O'Neal Steel, we are dedicated to service excellence. Our team is always here to help with any questions you may have. Our employees are equipped with the knowledge, resources, and experience to help you navigate your project needs from start to finish.

# PROCESSING SERVICES

O'Neal Steel is proud to offer industry-leading processing services rendered on state-of-the-art equipment. We work with all sizes of projects, processing quantities from short runs to full production runs. Whether you need a custom length for a tube component in your end product, or a custom-sized steel plate for a stamping operation, we can provide you with the particular product or service you need.
